

Registration Information

If you are open-minded, eager to learn, and have good manners, you are eligible to register for our structured community classes, regardless of your prior experience. These group classes are great for students to develop 5-Core skills, share and grow among peers in a fun and rigorous environment, and to have opportunities to perform and shine in each class. We guarantee your progress and enjoyment, and your confidence and learning ability will grow from day one!

- Classes will start once the registration reaches 8 students. They can be started with fewer students for an adjustable price per student, per request.
- All non-intensive classes are 30 minutes long except when noted.
- Non-Refundable Annual Registration and Administration Fee for online classes: \$50, for in person classes: \$100.
- Single online classes to try on: \$28-40 (based on the type of class). Program in each level is set in discounted package, less than \$20 per class.
- There are extra fees if you plan to participate in any festivals, competitions, recitals, or exams – from the various organizers.
- VIP and Ambassador Members can always sit in on other online classes to review other levels per approval. (Ask details how to become a VIP or Ambassador Member with more benefits)
- Students are grouped into levels by ability and experience. The levels can change based on the teacher's suggestions and student/parent input. Every student is unique and we will work with you to fit our program to your needs.
- When necessary, we will also suggest and offer private tutoring and coaching sessions for various reasons. Ask for details.
